If the Head Coach determines a *new* registered swimmer's skill set isn't at the appropriate level for our swim teams, a decision will be made on the first night of practice and a full refund will be given. If the coach feels any swimmer is not placed appropriately on a team, a switch will also be made immediately. Explain to your swimmer that lane assignments and order within each lane is determined the first week of practice *each season* and is adjusted accordingly during the season based on ability, speed, work ethic, and focus.

Please remember that being on a swim *team* is a commitment to steady improvement, which is both fun and rewarding but also a responsibility for the entire family. Make sure when signing up, that your swimmer is able make as many practices and meets as possible and is able to arrive ready to swim *ON TIME*.
